

## Capability Statement

### Business Overview

We are a disabled, veteran-owned, and operated for-profit company with an online training program.

#### Here are some of our highlights:

- Over ten years of military service, in two branches of the military
- Minority and Woman-Owned business
- Over two years of teaching experience (Pre-K to Adult)
- Numerous veteran-specific certifications
- 30 years of Leadership, student, and program management experience
- Federal, state, and non-profit experience
- 10 years of skilled workforce development experience

### Core Competencies

- Complete online training program with capabilities to train large organizations
- Capabilities to teach online, in-person and Zoom training sessions
- Fully integrated training program with Avatar support
- Easy payment processing services
- Student portal with extended time to complete the training program
- Podcast and follow-up newsletter
- We are a National Business

### Differentiators

We offer a professional online training program for a fraction of the cost and time, but with the same value of established higher-learning institutions
